PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 07/18/2023.

On July 7, 2022, a probation officer reviewed the judgment with Ms. Zeigler. She stated she understood the conditions of her supervision and signed a copy of her judgment.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Special Condition #4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: It is alleged that Ms. Zeigler violated the conditions of her supervised release by using methamphetamine on or about July 31, 2023.

On August 4, 2023, prior to attending her 9 a.m. initial appearance hearing, Ms. Zeigler reported to the U.S. Probation Office. At this time, she submitted a urinalysis that tested presumptive positive for methamphetamine. Ms. Zeigler informed the undersigned that she had not used methamphetamine since on or about July 14, 2023. The sample was sent to the
